General conditions:

1. Tradeweb venues are accessible to professional investors classified as eligible counterparties only.
2. Billing models apply for the duration of the contract, changes can be made on renewal date.
3. Any new participant to the MTF will be eligible for a 3 month 'Introductory' period.
4. Fees per million executed are based on the gross notional value.
5. Fees are based on transactions executed, subscription fees are charged only where mentioned.
6. Rank discounts are applied retrospectively to the month in which they were attained.
7. Sweep fees are applied separately from other transaction fees, no floors apply.

Regional Agreements:

On request, pricing is tailored to the scope or field of use demanded for each specific market. Any such tailored prices are subsequently applied as standard and will be published. They will be made available to other dealers requesting the same scope or field of use.

Tradeweb considers the following factors when pricing reduced scope subscriptions for a specific product:

- The relative volume traded in the sectors or countries the subscription is limited to
